# Our Story

Founded in 2007 by Jitender Sharma and a team of passionate artisans, Jatin Enterprises began as a small workshop in Jaipur. We quickly earned a reputation for quality and exceptional service.

By 2010, we expanded to a larger facility, blending modern techniques with traditional craftsmanship to diversify our products.

In 2012, we entered the international market, meeting global demand with customised solutions and completing numerous high-profile projects.

Today, Jatin Enterprises is a leading name in the furniture industry, offering a wide range of commercial, interior, office, school, house, and customised furniture. Our journey from a small workshop to a globally recognized brand is driven by our commitment to excellence.

## Introduction

At Jatin Enterprises , we believe that furniture is more than just a functional necessity; it's an expression of style, comfort, and identity. Since our inception in 2007, we have dedicated ourselves to crafting high-quality, innovative furniture that not only meets but exceeds the expectations of our clients. Based in the vibrant city of Jaipur, Rajasthan, we take pride in blending traditional craftsmanship with modern design to create pieces that are both timeless and contemporary.

# Key Projects and Clients

## 2012-2014 ~ First Major Project with Shree Cement

In 2012, Jatin Enterprises embarked on its first major project with Shree Cement, Jaipur. The project focused on manufacturing and supplying large-scale school furniture, marking a significant milestone in our journey. This endeavor showcased our dedication to quality craftsmanship and our ability to meet the rigorous demands of commercial contracts. The successful completion of this project bolstered our reputation within the industry and laid the foundation for future growth and expansion.

## 2014-2016 ~ International Expansion with South Africa's Education Department

Building on our local success, from 2014 to 2016, Jatin Enterprises ventured into the international market through a collaboration with Lucky Export and South Africa's Education Department. This partnership involved the manufacturing and supply of school and college furniture for educational institutions in South Africa. It represented our first foray into international projects, highlighting our capability to deliver tailored solutions across borders while maintaining our commitment to quality and customer satisfaction. This period marked a pivotal moment as we solidified our presence in global markets and diversified our portfolio.

## 2016-2017 ~ Project with UltraTech Cement, Aditya Birla Group

In 2016, Jatin Enterprises secured a project with UltraTech Cement, a prominent entity within the Aditya Birla Group. The project focused on manufacturing and supplying bunk beds, showcasing our versatility in providing specialized furniture solutions for industrial environments. This collaboration underscored our ability to adapt to diverse client needs and further solidified our reputation as a reliable partner in the manufacturing sector.

## 2017-2018 ~ Expansion into B2C Segment

By 2017, Jatin Enterprises took a strategic step towards diversifying its business model by entering the business-to-consumer (B2C) segment. We launched our own offline stores and began supplying various retail outlets in Jaipur. This initiative aimed to enhance our local presence and offer direct access to our comprehensive range of furniture products to residential and commercial customers alike. The expansion into the retail sector marked a significant milestone in our growth trajectory, allowing us to cater directly to the needs and preferences of local consumers.

## 2019-2021 ~ International Project with MS International , USA

In 2019, Jatin Enterprises expanded its global footprint through a significant project with MS International, a leading company based in the United States. The project involved the supply of marble stands, showcasing our capability to deliver specialised furniture products to international markets. This collaboration further solidified our reputation as a trusted supplier of innovative and high-quality furniture solutions on a global scale, while also opening new avenues for future international partnerships and growth opportunities.

## 2022-2023 ~ Project with Tesca Tech

In 2022-2023, Jatin Enterprises partnered with Tesca Tech, a prominent company based in Jaipur, for a project focusing on manufacturing and supplying school furniture. This collaboration strengthened our local partnerships and underscored our commitment to providing high-quality furniture solutions for educational institutions in our home city. The project reaffirmed our reputation for excellence and reliability in meeting the specific requirements of our clients within the local market.
